Hiroshima, a contemporary city on Japan's Honshu Island, faced massive destruction from an atomic bomb during World War II. Nowadays, the Hiroshima Peace Memorial Park honors the events of 1945. Within the park, you can find the remnants of the Genbaku Dome, one of the few structures that survived near ground zero. Other notable attractions include Shukkei-en, a traditional Japanese garden, and Hiroshima Castle, a stronghold encircled by a moat and a park.

While in Hiroshima, you can explore the historic Hiroshima Peace Memorial Park and the significant Atomic Bomb Dome, check out Hiroshima Castle, and appreciate the beauty of Shukkeien Garden. A day trip to the sacred Miyajima Island, home to the famous Itsukushima Shrine and its
