Enjoy your overnight stay at the hotel.

Day 3: Full Day Tour of the Great Ocean Road

The Great Ocean Road is a must-see attraction for many visitors to Melbourne, and our top-notch vehicles and knowledgeable guides ensure that this will be a memorable day. We begin our journey from Melbourne at approximately 8.00 am, taking in breathtaking views of the city and Port Phillip Bay as we cross the Westgate Bridge, which happens to be Australia's longest bridge, spanning nearly 2.6 kilometers. Along the way, we pass by Geelong, Victoria's second-largest city, and learn a bit about its history before heading towards the Surf Coast, known for its captivating beachside towns and impressive waves.

Our first stop is in Torquay, where you'll have the chance to visit the beach and enjoy a complimentary morning tea. After leaving Torquay, we continue our adventure along the Great Ocean Road itself, with our experienced driver-guide providing fascinating commentary about the road's significance in Australian folklore and its historical background.

The Great Ocean Road offers a breathtaking journey, showcasing stunning coastal scenery that unfolds with each twist and turn. Along the way, we make several scenic stops, including a must-visit spot at the Great Ocean Road Memorial Arch in Eastern View for a perfect photo opportunity.

In Kennett River, we take a short detour into a fragrant eucalyptus forest to spot some of the local koalas in their natural habitat. With a thriving koala population, sightings are practically guaranteed! Additionally, we have the chance to admire the vibrant birdlife, such as crimson rosellas and king parrots.

Continuing our expedition, we head towards Apollo Bay for a delightful lunch break, with a photo stop at Cape Patton en route. Afterward, we veer away from the coastline and venture into the majestic Otway Ranges. Here, we pause to explore the serene temperate rainforest, guided by our knowledgeable tour leader. Along the way, we discover fascinating facts about the world's tallest flowering trees and other ancient rainforest species.

Afterward, we will proceed to the renowned Port Campbell National Park, where you will be captivated by the magnificent monoliths known as the Twelve Apostles. These awe-inspiring rock formations are truly a sight to behold. Additionally, for those who are interested, there is an optional helicopter flight available for \$145 per person, providing a unique aerial perspective of the area.

For guests who prefer not to take the helicopter flight, we offer a further stop at Gibsons Steps. Here, you will have the opportunity to descend the steps and enjoy beach level views of two of the Twelve Apostles. It is a wonderful chance to appreciate the beauty of these natural wonders up close.

Continuing our journey, we will reach the heart of the Shipwreck Coast, the Loch Ard Gorge. This location holds a tragic history, as it was the site of a shipwreck in 1878 where only two individuals

survived out of 52. Your guide will share the captivating legend of the Loch Ard, bringing the gorge to life in a way that will leave you amazed. We will take our time exploring this area, marveling at the various rock formations such as the Razorback, the Dumpling Pots, and the delightful Island Archway.

Please note that access to the gorge at Loch Ard Gorge will be temporarily closed until sometime in Spring 2023 (September-November) due to dangerous cliff movement near the Upper Lookout, which poses a risk of collapse. However, we will still visit this location as there are numerous other interesting and spectacular viewpoints in the surrounding area.

On our way back to Melbourne, we will make a dinner stop, allowing you to savor a delicious meal. As we cross the Westgate Bridge, you will be treated to a breathtaking view of the illuminated city, creating a lasting memory of your Australian holiday. Our journey will conclude with drop-off at your inner city accommodation, ensuring a convenient and memorable experience.
