Important Information:

All passengers arriving or departing through airports and seaports must complete the Traveler Declaration form within 72 hours prior to their flight at <https://imuga.immigration.gov.mv>. It is not mandatory for passengers to provide a PCR result during arrival or departure. This applies to both vaccinated and unvaccinated travelers.

Please carefully review the inclusions. Transfers to Maldives resorts are not automatically included and must be paid directly at the resort, unless stated otherwise.

A green tax of US\$ 6 per person per night, regardless of age, must be paid directly at the resort or hotel, unless specified in the inclusions.

If your chosen resort requires a speedboat or seaplane transfer, please note that the transfer (if included) will be arranged based on your international flight schedule and may be shared with other guests. This may result in a slightly longer wait for your transfer upon arrival or require you to arrive at the airport earlier for departure. If your flight arrives after 3 pm, it is recommended to book overnight accommodation in Male before continuing to the resort the next morning.

For departures, seaplane transfers can be arranged for international flights departing from the Maldives starting from 09:15 hrs. The last flight departure from the resorts is typically between 2 pm and 4 pm.

If your stay includes lunch at the resort and you are arriving directly from the airport by speedboat or seaplane, there is a possibility of missing lunch on the day of arrival.

Upon check-in at your hotel, the hotel may request an advance/security deposit (amount determined by hotel policy). This amount will be refunded at check-out, minus any charges for items taken from the mini-bar or other additional services (such as late check-out or damages to the accommodation).

Please note that tickets for attractions, museums, trains, cable cars, ferries, rides, safaris, etc. are not included unless explicitly stated as part of the inclusions.
