Upon your arrival at Dubai Airport, our representative will be waiting for you at the Arrival Terminal. They will be holding a sign with your Name clearly written on it. From there, you will be escorted to a comfortable vehicle for your transfer to the hotel.

Dubai Creek holds great significance in the history of the city. It acts as a dividing line between Bur Dubai and Deira, two important sections of Dubai. The buildings along both sides of the creek are truly remarkable and showcase the city's architectural beauty. To make your sightseeing experience truly unique, we recommend taking a dhow cruise instead of simply walking along the coast. Dhows are traditional Bedouin boats that were originally used for trade and transportation. Nowadays, these dhows have been transformed into floating restaurants with both air-conditioned lower decks and open-air upper decks. Upon arrival, you will be welcomed with a refreshing drink and served delicious barbecued

dishes as the dhow sets sail.
