DETAILED DAY-WISE ITINERARY

📸The Andaman Islands present some of the most famous beach 🏖️ getaways imaginable. The summer season certainly offers the perfect opportunity to visit 📍, enabling you to immerse yourself in the beach 🏖️ experience through a variety of activities and the discovery of nearby islands.

Our adventure starts in Port Blair, where you will uncover a treasure trove of historically significant documents and buildings that act as poignant reminders of the local fight for independence. From this point, we will set off on a boat ⛵ journey to Havelock Island 🌴, a hidden treasure known for its stunning views and tranquil ambiance. Located about 54 kilometers from Port Blair, Havelock Island 🌴 draws many divers, thanks to its calm, crystal-clear waters that provide exceptional visibility of up to 40 meters beneath the surface.

📸Even those who are inexperienced in diving can partake in this adventure, thanks to the gentle currents and the diverse array of marine life. Our schedule includes a trip to the renowned Radhanagar Beach 🏖️, often considered one of the finest beaches in Asia. Upon reaching this beach 🏖️, you will see why it enjoys such a distinguished reputation. Families relish day trips to this idyllic spot, while couples create lasting memories along its sandy shores. Besides Radhanagar, we will also visit 📍 Elephant Island 🌴 Beach 🏖️, located a short distance from Havelock Island 🌴. Although smaller in size, this beach 🏖️ is popular among novice divers and provides snorkeling opportunities for those just beginning their underwater journey. Take the chance to not only admire the surface beauty but also to delve into the captivating underwater realm that makes the Andaman Islands truly enchanting.

📸Finally, we will proceed to Kalapathar Beach 🏖️, our last destination before heading back to Port Blair. The name, which translates to 'black rocks beach 🏖️' in Hindi, becomes evident as you step onto its sands.

Day Wise Itinerary

Day 01: Arrival at Port Blair + Half Day Local Sightseeing (Local sightseeing points are closed on Mondays and all government holidays) + Corbyn's Cove Beach

Upon your arrival in Port Blair, our representatives will meet you at the airport . After a brief introduction, they will escort you to your first hotel . Once you check in and have your lunch and refresh yourself, we will head out to explore the historic Cellular Jail. This visit will be followed by the light and sound show. The history and migration to this archipelago are deeply connected to this monumental structure. After completing the tour , you will have a short break of about half an hour before experiencing the light and sound show, which narrates the story of the jail through an impressive display of light and sound. The day concludes as we return to the hotel for an overnight stay in Port Blair.

Day 02: Port Blair to Havelock Island + Radhanagar Beach

We kick off the day a little earlier than usual since we need to catch the cruise to Havelock Island , which leaves at about 8:30 AM. This means we have to arrive an hour ahead of time. After a quick breakfast , we set off for Havelock Island , and the boat ride takes roughly

an hour and a half. Once we arrive at the island, we will meet our guides who will be waiting outside the restricted area of the harbor, holding a name tag. From there, we will head to our respective hotels and plan our day, likely heading to Radhanagar Beach after lunch. You can enjoy the beach and the sunset, which I believe is one of the best sights you can experience. (Please note that boat transfers may change based on ticket availability and weather conditions). We will stay overnight at Havelock.

When departing from Port Blair to Havelock Island, it's a good idea to leave your larger luggage in Port Blair. Hotels there usually offer a cloakroom service. Just take along a couple of days' worth of clothes and any essentials you need for Havelock Island. This way, you can skip the trouble of lugging your bags through the harbor area, which is a restricted zone similar to an airport and lacks trolley services.

Day 03: On Havelock Island (Boat Ticket Included)

After having breakfast, take a motor boat to Elephant Beach to experience the stunning views of the corals and enjoy some snorkeling (the boat will be shared). Spend the night at a resort in Havelock.

Day 04: Traveling from Havelock Island to Neil Island + Kalapathar Beach

After checking out at 9 AM, enjoy the morning on a tour to Kalapathar Beach. This beach is named after the nearby Kalapathar Village and its distinctive black rocks. Once you reach Neil Island, you will find our escorts waiting for you outside the exit area. After checking into your hotel and having lunch, you will head out for an excursion to the Island, specifically to Sunset Point, where you can explore all the beaches around the Island. You will spend the night at Neil Island.

Day 05:
Neil Island to Port Blair

After having breakfast, head out to explore Sitapur Beach – one of the best beaches on this island. After that, visit Lakhimpur Beach (Natural Bridge), and then proceed to the stunning Bharatpur Beach – the perfect spot for swimming. After your visit, you will be dropped off at the Jetty to catch the return boat to Port Blair. Once back in Port Blair, you can return to your hotel and enjoy the evening at your leisure. Overnight stay at the hotel. Overnight stay at Port Blair.

Day 06:

Leaving Port Blair

The morning is free for packing and personal activities. At 08:00 am, check out from the hotel and transfer to the airport on time. Continue your journey with fond memories of Andaman.
