Frequently Asked Questions

What are the base booking requirements and pricing conditions?

This premium Phuket and Krabi package is available for a promotional rate of INR 25,000 per person (inclusive of all taxes). Please note the following core requirements:

 Rates are explicitly applicable for a minimum of two adult passengers traveling together.

 All quoted rates are Nett and applicable strictly for Indian nationals.

 Pricing is based on the standard “Base” category for hotel rooms, airline seats, and ferry links, irrespective of any secondary tier definitions.

Are there any special discounts available for group bookings?

Yes. While the standard baseline rate requires a minimum of two adults, families or corporate groups consisting of four people or more are eligible for a generous promotional discount of up to 5% on the total package baseline value.

What are the hotel bedding rules and ground-floor configurations?

Per standard hospitality operational structures:

 Only one extra bed or mattress is permitted per standard room footprint. An extra bed typically refers to a rollout mattress layout placed on the floor if a proper

mechanical extra frame is unavailable.

 If travelers have physical restrictions or are unable to climb higher storeys, please explicitly inform us at the time of booking. We will work with our third-party global hotel partners to request ground-floor accommodations, subject to live inventory availability.

How do vehicle services and daily sightseeing schedules work?

All included transport logistics function under strict parameters:

 The assigned transfer vehicle is not at disposal. It is designated exclusively for pre-planned point-to-point airport links and specific itinerary sightseeing tracks.

 Travelers must actively sync with the designated local driver or country representative each evening to confirm the following day's pickup timings and localized route schedules.

Can I request a partial refund for missed excursions or route changes?

 No. There will be absolutely no financial refund or credit alternatives provided in the event that any sightseeing point or included excursion is missed, bypassed, or left uncovered during the active trip window.
