🗓️Day Wise Itinerary

🛫 Day 1:

Arrival 🛬 Hanoi Vietnam

🏨Upon your arrival 🛬 in Hanoi, a city with a rich history and mythical tales, you will be greeted with a warm welcome. Established in 1010, Hanoi holds the essence of the rice civilization in the Red River 🏞️ Delta. Our team will handle your transfer 🚗 smoothly, ensuring your comfort as we take you to your hotel 🏨 in Hanoi. Prepare yourself to immerse in the enchanting allure and vibrant energy of this captivating city in Asia!

📸Day 2: Full Day Hanoi City Tour 🗺️

🏨Begin your day with a delightful breakfast 🍳 at the hotel 🏨 before embarking on our comprehensive city tour 🗺️ of Hanoi. Our first stop is the Tran Quoc Pagoda, the oldest Buddhist temple 🛕 in Hanoi situated on a small island 🏝️ in the West Lake 🏞️. This pagoda not only serves as a place of worship but also houses numerous ancient artifacts, with its origins dating back to the 6th century.

📸Adjacent to the pagoda lies the Ho Chi Minh Mausoleum Complex, the final resting place of the revered revolutionary leader and President Ho Chi Minh, who played a pivotal role in securing Vietnam's independence. Visitors can also catch a glimpse of his humble stilt house from the outside. Following this visit 📍, we will take a break for lunch 🍔 before continuing our tour 🗺️.

📸Our next destination is the One Pillar Pagoda, an iconic landmark that holds great significance for the people of Hanoi. This Buddhist temple 🛕, shaped like a lotus flower, was originally built by Emperor Ly Thai

Thong, who envisioned a Buddhist goddess in his dreams. The current pagoda is a reconstruction of the original pillar, which was destroyed during the French colonization in 1954.

We will then proceed to the Museum of Ethnology, a unique Vietnamese museum dedicated to documenting and preserving the rich cultural heritage of the country's 54 recognized ethnic groups. Here, visitors can gain insights into the traditions and history of the indigenous people who call Vietnam their home. In the event that the museum is closed on Mondays, we will visit the Women's Museum instead, where you can immerse yourself in the vibrant culture and way of life of Vietnamese women.

Experience the captivating history and cultural diversity of Hanoi on this full-day city tour, gaining a deeper understanding of Vietnam's rich heritage.

After enjoying your lunch, indulge in a delightful traditional Vietnamese meal consisting of 8 delectable dishes. Following this culinary experience, we will proceed to the Temple of Literature, also known as Quoc Tu Giam. Constructed in 1070, this ancient site served as Vietnam's inaugural national university, the Imperial Academy. It holds great significance as it symbolizes the advent of advanced education in Hanoi and pays homage to esteemed figures in the field of education, particularly Confucius. The serene ambiance of this place will surely bring solace to your soul and tranquility to your mind.

Our next stop will be the Hoa Lo Prison Museum, which serves as the final destination of the day. This memorial is dedicated to the prisoners and lives lost throughout its history, starting from its construction by the French colonists and later by North Vietnam. The name "Hoa Lo" translates to "Hell's hole," and it is from this name that the street name "pho Hoa Lo" originated.

Concluding the tour, your driver will safely transport you back to your hotel in Hanoi, where you can enjoy an overnight stay. Please note that breakfast and lunch are included in the tour.

Day 3: Hanoi to Halong Bay Transfer – Overnight on Cruise (By Shuttle Bus)

Indulge in a delightful breakfast at your hotel before embarking on your journey. Our shuttle bus will be ready to pick you up from your hotel in Ha Noi Old Quarter and transport you to the mesmerizing Halong Bay. As we make our way there, take in the breathtaking scenery of the Red River Delta. This bay, overlooking the Gulf of Tonkin, has been recognized as a Natural World Heritage site by UNESCO in 1994 and 2006. During your scenic ride, you will witness the picturesque Red River delta and the lush green paddy fields where hardworking farmers toil. The rural villages along the way offer glimpses of untouched wilderness, with buffaloes occasionally seen helping with the farming.

Upon arrival at Tuan Chau Marina port, you will have the opportunity to relax in the lobby while our

staff takes care of your registration before boarding. Welcome aboard the Le Journey Ha Long Bay Cruise !

Our cruise will set sail towards the magnificent Ha Long Bay, which is renowned as one of the New Seven Nature Wonders of the World. Enjoy a delicious lunch served on board as we navigate through the awe-inspiring limestone karst formations that rise majestically from the sea. Our journey will include a stop at Sung Sot Cave, the largest cave in Ha Long Bay, discovered in 1901 and considered one of the most beautiful caves to explore in the area. After immersing ourselves in the beauty of this cave, we will return to the ship to continue our cruise.

The Ti Top Island, located approximately 7km away from Tuan Chau port, is the next destination on our itinerary. This charming and picturesque island is highly favored by tourists. Its breathtaking views and tranquil ambiance make it the perfect spot to capture stunning holiday photos for your Instagram feed. On the sundeck, you will be treated to refreshing drinks and snacks.
Later in the evening, a delightful dinner will be served, featuring traditional dishes prepared with local ingredients. Additionally, guests can partake in enjoyable activities such as karaoke and squid fishing. Take this opportunity to unwind and make the most of your cruise experience before retiring for the night.

(Breakfast, Lunch, and Dinner will be provided).

Day 4: Transfer from Halong Bay to Hanoi (By Shuttle Bus)

Our day commences early in Halong Bay to ensure you don't miss the breathtaking sunrise over the horizon. As the dawn breaks, the colors of the East Sea come alive, leaving you in awe of the beauty of this country. The sunlight gradually illuminates the surrounding islets, creating a mesmerizing sight. Once the sun is up, we gather in the dining room for a delicious breakfast before embarking on our cruise.

The cruise will take us to the Natural Preservation Area, where we will make a stop at Luon Cave. Situated on Bo Hon Island, this exquisite cave is just one of the many wonders to explore in this area. Known as Halong's smallest cave, it is accompanied by the Con Rua islet on one side and the Sky Gate on the other.

After exploring the cave, we will board the cruise again, heading back to Tuan Chao Marina port. While cruising back, enjoy a delightful lunch served onboard and prepare for check-out. Once we reach the port, we will hop on the shuttle bus to Ha Noi. We will then return to our hotel in Ha Noi Old Quarter for an overnight stay.
